

Fact sheet 7

The advantages of being a taxi driver

- You are self employed.
- You can choose your own hours of work to suit personal needs. Complete freedom to work where and when you want, in London.
- Control over work life balance.
- Women are often the primary carers. You don't need to ask your boss for time off to sort out childcare, you are your own boss. Be there to take the children to school and pick them up again. School holidays, no problem!
- Financial independence.
- Contribute to TfL's commitment to moving people safely around London.
